SHUT OUT BY ANDEMS. Local Team Badly Trimmed by North Grosvenordale.

Keyed up to an intense pitch of anxiety to win the opening game and create a good impression with the fains, the Danielson team went up against the Andem team Saturday afternoon and took one of the most decisive trimmings they have ever received. It was not only a defeat, but a shut-out. Not a man of the local team got by second base in the entire nine Innings. Meanwhile the North Grosvenordale team had managed to collect five runs, all of them due to flukes as tinusnal as they were costly. About 350 fans ome out to welcome league baseball to Danielson, and, naturally, the trimming sent their baseball enthusiasm a little below the fever point. They wanted to see the team just for old times' sake, but they took the outcome with good grace. "Get em next time" was the way the good sports put it and let it go at that.

All of Danielson's trouble happened in three innings. A little hit just a few inches over McClafferty's head in

The transfer of the property is one of the most Important real estate transactions that has occurred in this section for some time. The location is an excellent one for a busiliave four stores on the street level. The location is an excellent one for a business building, though it marks the encroachment of the trade section into the residential section in that part of the city.
